

TAIWAN IRIS CO., LTD.

Made in JAPAN · All Stocks in JAPAN · No Minimum

Taiwan IRIS Co., Ltd. is a branch of Japan IRIS CO., LTD. in Taiwan.

Japan IRIS has more than 75 years of professional experience in the manufacture and production of clothing materials.

Now, there are more than 20 types of different button materials. Also, in Japan, there is a professional production factory. In addition, it has set up multiple production plants in China and the ASEAN region, which is the largest supplier of clothing materials in Japan. There are not only more than 20,000 kinds of standing stock in order to meet the needs of customers but also serve customers comprehensively with a small number of unique sales methods.

Carbon Reduction will be exhibited at TITAS 2022. The products with various materials combining environmental friendliness and Japanese traditional craftsmanship can be widely used in menswear, womenswear and functional clothing. Therefore, it brings us a refreshing feeling.
