

## TEXXAR CO., LTD.

### Dare to Discover

**Discovery: the driving force behind TEXXAR' s relentless pursuit of improvement**

Over 25 years, Texxar has been fully understanding the importance of exploration. It is not only about doing something new. Exploration is the act of searching for the purpose of the discovery of information or resources.

Innovative and creative thinking drive us to make unique textiles, we can find unlimited inspiration for you. For new textures, updated styles, and high technology, we can do it for textile products in your daily life. We can continually explore, which means solving your problems and making your ideas into reality.

In the era of climate change, Texxar upholds the original intention of continuing life in the textile industry. Pay attention to green innovation research and development and green production, and strive to achieve a blueprint for sustainable development.

Let us meet and discuss at TITAS 2023.
