

YU YUANG TEXTILE CO., LTD.

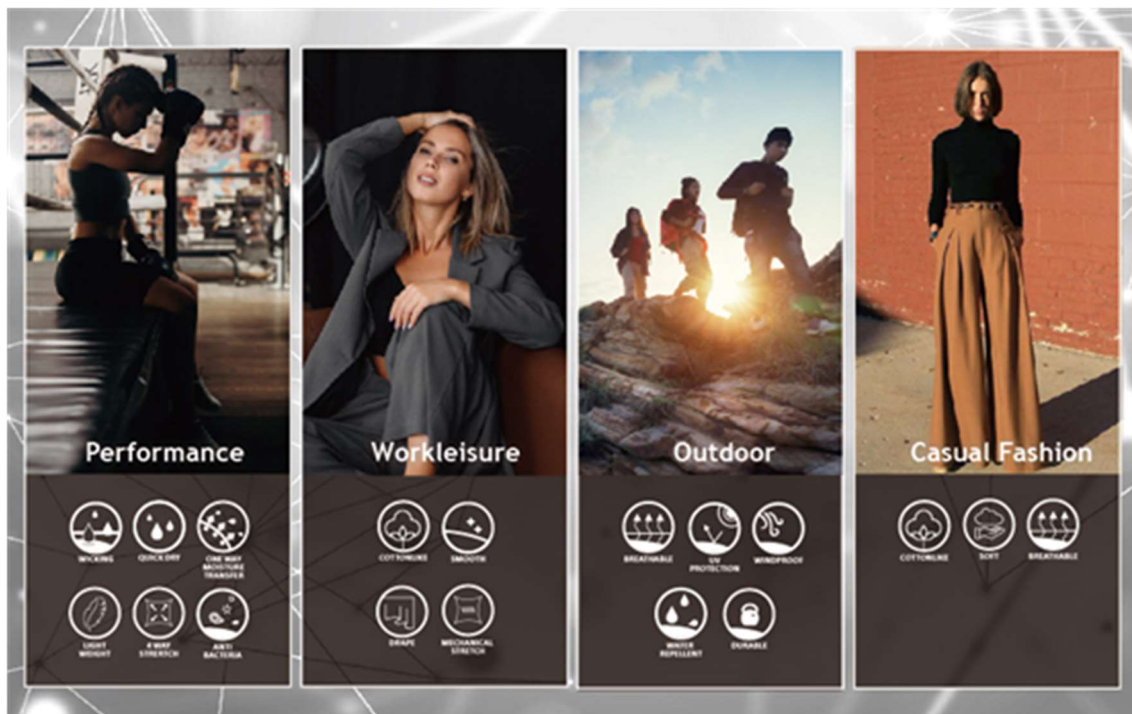

Innovating the Future Fashion and Better Life

Since its establishment in 1961, YU YUANG Textile has accumulated over 60 years of experience in textile manufacturing and sales. Our presence spans across Asia, including Taiwan, China, Vietnam, Sri Lanka, and the USA, with subsidiaries and offices employing over 2500 individuals.

Our expertise lies in an integrated process that covers knitting, weaving, dyeing, finishing, and garment production. Our diverse product range finds application in various sectors such as underwear, swimwear, sports apparel, and even automotive textiles.

Aligned with sustainability, our products meet the rigorous standards of the Bluesign® certification, reflecting our commitment to the environment. This commitment is further demonstrated by a range of quality and environmental certifications we have obtained.

Experience our "Future Technology" themed exhibition, a fusion of fashion textiles that creates a captivating glimpse into the future. We showcase four main product lines: Performance, Casual Fashion, Workleisure, and Outdoor, highlighting our versatility and forward-thinking approach.

At YU YUANG Textile, we remain dedicated to addressing market needs, driving innovation, and upholding excellence. Through our continuous efforts, we aim to be a dependable partner. As we stride towards a brighter future, our textile creations are set to redefine the fashion landscape.

Join us at the TITAS exhibition to explore evolving industry trends and firsthand experience the excellence of Taiwan's textile industry!
