

Min Yuen Rubber Industrial Co., Ltd.

Explore New Dimensions, Journeying Forward Together

We are your innovative and responsible partner of choice, committed to elevating your dreams and brand. Our company motto, "Your Accessories, Our Expertise," symbolizes our unwavering dedication to you. Min Yuen Rubber enriches your life experience.

Focused on crafting ingenious ribbed textured rubber tape, we cater to your unique needs. Whether it's plain or ribbed textured tape, we uphold a customer-first approach, tailoring exclusive formulations to ensure products embody exceptional quality and superior performance.

Ribbed Textured rubber tape doesn't just bear the weight of products; it carries our determination. Its exceptional flexibility and rapid recovery characteristics embody our pursuit of excellence. In 2010, we collaborated with Italy's leading embossed sheet manufacturer, acquiring state-of-the-art production equipment and cutting-edge technology, marking the inception of a magnificent journey.

From Asia to Europe and the Americas, Min Yuen Rubber has seamlessly integrated into globally renowned brands of bedding, swimwear, and sportswear, receiving acclaim and admiration.

Ribbed textured rubber tape possesses a distinctive feature — extended length, freeing it from dust contamination and drastically enhancing sewing efficiency. We pay homage to excellence through meticulous technological innovation and stringent quality control, ensuring each tape bears witness to our dedication and care.

At Min Yuen Rubber, we are your sustainable partners, propelling us towards a brighter future through the power of innovation. Let us embark on this journey together, reaching new heights and co-creating brilliance!
